

# CA' MOMI

HEARTCRAFTED IN THE NAPA VALLEY

## GIN

### DISTILLED FROM NAPA VALLEY GRAPES

Ca' Momi's Heartcrafted Gin is a small-batch spirit distilled entirely from Napa Valley wine grapes, using a 100-gallon, Christian Karl dual-column German copper still. Our gin is triple-distilled & minimally filtered to preserve the natural aromatics & richness of the noble varietals used to craft the base spirits. Other gins use heavy filtration to eliminate the impurities in their base grapes. However, since we start with only the best, premium wine grapes, we only lightly filter once, to let their unique vinous qualities shine through. Our Gin salutes the new Napa Valley, distilled to its essence. Gluten-free.

### HEARTCRAFTED™ IN THE NAPA VALLEY

Delightfully citrusy & herbaceous on the nose, Ca' Momi Heartcrafted Gin develops into a palate of perfect balance between lemon, orange & grapefruit & yields to undertones of delicate minty eucalyptus, yerba santa & a whisper of black pepper at the finish.
